Maximum Number of Teams at a Regional Tournament:

In order to ensure fair, orderly, safe, and efficient tournaments, New York State Science Olympiad, Inc.'s ("NYSSO") Board of Directors (the "Board") maintains the following policy regarding the maximum number of teams at Regional Tournaments:

- 1) A school may send up to **three** teams to their Regional Tournament.
- 2) A school may win up to **one** trophy in a Regional Tournament.
- 3) From time to time, NYSSO may amend this policy on a tournament-season-to-tournament-season basis. An abeyance of this policy will generally be communicated by the State Director at the beginning of the applicable Tournament Season.

Any questions or concerns regarding this policy should be directed to the President of NYSSO's Board of Directors and the State Director.
