3) Mid-Atlantic Coaches Clinic:

If you are interested in attending a Coaches Clinic, please consider the Mid-Atlantic Coaches Clinic hosted by Pennsylvania Science Olympiad. This virtual clinic will be held on Saturday, November 5, 2022. Event Sessions will be recorded and followed-up by live Q&A Sessions. The Clinic's format will allow Team Coaches to attend sessions for all 23 Events. The cost for this Clinic is \$50.00. I strongly urge you to consider attending, as at least 6 National Event Supervisors will be conducting the sessions. Should you be interested, please contact Pennsylvania State Director David Moyer directly: dmoyer@pascioly.org.

4) Invitational Tournaments:

If your Team(s) is interested in participating in an Invitational Tournament within New York State, please contact the Tournament's respective Invitational Site Coordinator directly. Please be aware that your Team(s) must first have Registered with NYSSO and paid the Registration Fee to NYSSO before being permitted to compete in an Invitational Tournament. Also, if you have Home School Associations in your Region, please contact her regarding possible recruitment of these Associations for your Regional Tournament. Her e-mail address: ktoy@newyorkscioly.org.

I have been re-appointed the State Director for New York State. I have also been re-appointed the Chief Operations Officer for New York State Science Olympiad, Inc. I will also be responsible for handling questions regarding State policies or general questions you may have. I will also, if need be, direct your questions or communications to the appropriate Director. My e-mail address: jbeauregard@newyorkscioly.org.

12) Scoring & Event Sign-up Programs:

At its Annual Meeting in June, the Board has reaffirmed that it would not recommend the use of paid scoring and event sign-up programs. Regional Site Coordinators may use whichever programs they wish for scoring and event sign-up programs, provided that these programs are not paid scoring and event sign-up programs. **Also, please be aware that for whichever program is used at a Regional Tournament, a student's electronic personal data MUST NOT be collected.** Please consult with the Regional & State Tournament Director regarding these questions: mhrbac@newyorkscioly.org.

Before I conclude this letter, I wanted to share with you some sad news. NYSSO has lost some steadfast supporters, friends, and mentors: Dr. Charles Mateo of Pleasantville M.S. (Lower Hudson Region), Ms. Joan-Ann Matusiak of St. Gregory the Great School (Lake Erie-Niagara Region), and Mr. Dennis Papesh of Holy Angels School (Dayton, Ohio) have passed away this year. Having known and worked with all of them, I can say that they were all the best type of people that you could ever meet. NYSSO and I would like to thank them and their families for their service, dedication, loyalty, and most of all their devoted care to Science Olympiad for these many years. Their obituaries can be found here:

[Dr. Charles Matteo](#)

[Ms. Joan-Ann Matusiak](#)

[Mr. Dennis Papesh](#)

May they rest in peace and may their families find comfort in a life well lived.

My apologies for the length of this letter, but I wanted to keep you all informed of what was taking place. I look forward to meeting and working with all of you of the upcoming months. I also wish you and your Team(s) the best of luck for the upcoming 2023 Tournament Season.

If it is not too much of an imposition, may I request that each Regional Site Coordinator forward this letter to the Team Coaches and Event Supervisors in their Region?

As always, should you need anything further, please do not hesitate to contact me.

Sincerely Yours,

/s/ John J. Beauregard
