

The Mid-Atlantic Coaches Clinic (also called the PA Coaches Clinic) will be held virtually over two weeks, Tuesday–Wednesday–Thursday, from 6:00 PM to 8:15 PM on 10/21–10/23 and 10/28–10/30. Pre-recorded videos will be made available in advance, with live Q&A sessions scheduled as shown in the **tentative agenda below**.

To maintain security, **only head coaches of teams and college tournament directors may register**. Registered coaches and tournament directors will receive links to the videos and Zoom sessions and are responsible for sharing them only with their team or tournament personnel. Live Q&A sessions via Zoom are only for coaches and college tournament staff and event supervisors. High school and middle school students are not allowed to attend the live Q&A sessions.

Participation & Fees

- **Participation is free for Pennsylvania** coaches, regional event supervisors not affiliated with a team, and college invitational directors or event supervisors.
- Out-of-state participants are welcome at a cost of \$50 per school (not per individual), payable via PayPal. This same \$50 per-school fee applies to out-of-state university invitational directors and event supervisors. **Payment must be received prior to October 21, 2025.**
- Pennsylvania schools must complete their initial state registration on Scilympiad before attending the Coaches Clinic. (The actual payment to PASO does not need to be finalized, as we know this can take time.)

Registration ([Google Registration Form](#))

Registration will be done using a Google Form similar to last year. **To maintain security, only head coaches of teams and college tournament directors may register**. Registered coaches and directors will receive links to the videos and Zoom sessions and are responsible for sharing them only with their team or tournament personnel. Again, high school and middle school students are not allowed to attend the live Q&A sessions.

At the end of the clinic, a short survey must be completed to retain access to the clinic resources for your school's use.
