To the Friends and Members of the New York State Science Olympiad:

Questions regarding Team Registrations should be directed to

should be sent to the above address, NOT the address listed on the Form W-9.

2) Engineering CAD:

NYSSO will not be running Engineering CAD this Tournament Season at either the
Regional or State Tournaments. In its place NYSSO will be running Write It Do it using
the Event Rules for Division B. Our current 2026 Tournament Event Slate can be found
here:

<https://newyorkscioly.org/events-rules/>

3) D Teams:

For the upcoming Tournament Season, D Teams will only be permitted to participate at
Invitational Tournaments. This is in keeping with the Board's policy, which can be found
here:

[Maximum Number of Teams at a Regional Tournament Policy](#)

The Registration Fee will be \$100.00 for a D Team.

Questions regarding Team Registrations should be directed to
nyssoregistration@newyorkscioly.org.

4) Mid-Atlantic Coaches Clinic:

If you are interested in attending a Coaches Clinic, please consider the [Mid-Atlantic
Coaches Clinic](#) hosted by Pennsylvania Science Olympiad. This virtual clinic will be held
at the from October 21-30 2025. Event Sessions will be recorded and followed-up by
live Q&A Sessions. The Clinic's format will allow Team Coaches to attend sessions for

all 23 Events. The cost for this Clinic is \$50.00. I strongly encourage you to consider attending, as at least 6 National Event Supervisors will be conducting the sessions.

Should you be interested, please contact Pennsylvania Coaching and Training Advisor Carli Yeager-Hall directly: cyeagerhall@pascioly.org.

5) Invitational Tournaments:

If your Team(s) is interested in participating in an Invitational Tournament within New York State, please contact the Tournament's respective Invitational Site Coordinator directly.

Please be aware that your Team(s) must first have Registered with NYSSO and paid the Registration Fee to NYSSO before being permitted to compete in an Invitational Tournament.

While these Invitational Tournaments are related to NYSSO, they are independent Tournaments. For informational and planning purposes, a list of New York State Invitational Tournaments can be found here:

Board of Directors is more responsive to communications than it has been in the past. I will also be responsible for handling questions regarding State policies or general questions you may have. I will also, if need be, direct your questions or communications to the appropriate Director.

My e-mail address: jbeauregard@newyorkscioly.org.

13) Scoring & Event Sign-up Programs:

At its Annual Meeting in June, the Board has reaffirmed that it would not recommend the use of paid scoring and event sign-up programs. Regional Site Coordinators may use whichever programs they wish for scoring and event sign-up programs, provided that these programs are not paid scoring and event sign-up programs. **Also, please be aware that for whichever program is used at a Regional Tournament, a Student's electronic personal data MUST NOT be collected.**

Please consult the State Director regarding any questions that may arise with scoring programs: jbeauregard@newyorkscioly.org.

My apologies for the length of this letter, but I wanted to keep you all informed of what was taking place. I look forward to meeting and working with all of you of the upcoming months. I also wish you and your Team(s) the best of luck for the upcoming 2026 Tournament Season.

If it is not too much of an imposition, may I request that each Regional Site Coordinator forward this letter to the Team Coaches and Event Supervisors in their Region?

As always, should you need anything further, please do not hesitate to contact me.

Sincerely Yours,

/s/ John J. Beauregard
